Go to www.BroadwayInBoise.com to print out your order form, fill out and fax, mail or drop off to the Morrison Center.

3) **How are new subscriber orders processed?**

After we have completed processing renewing subscribers, we will begin filling new orders. We are accepting new orders now. They will be date stamped and processed in the order received. Beginning in June we will call to inform you of what seats are available and you will confirm your order at that time.

4) **Is Mamma Mia part of the season?**

Mamma Mia is a special priority offer available to the season subscribers. It is not part of the season package. When you purchase your Mamma Mia tickets, we will try and get your seating as close to your season seats as possible.

5) Can I purchase additional tickets with my subscription?

Yes – as a subscriber you will have the opportunity to purchase additional tickets to each show. We will send out an order form/postcard to inform you of when that is available. Your additional tickets will most likely not be next to your season seats.

6) Do I pay for my season tickets now?

You will include your method of payment with your order; however, your payment will not be processed until you confirm your seat location.

7) What if I just want single tickets and not season?

Single tickets are typically on sale 8 weeks prior to the performances.

8) How do I get Wicked tickets?

Wicked tickets will be on sale to the general public NEXT Spring. The only way to guarantee your tickets to Wicked is to become a season subscriber.
